

DW[®] SUCCESS STORY | CANNABIS

CANNABIS GROWER

400

TB Recording Storage

CUSTOMER

- A medical marijuana grow operation.
- Cannabis for medical use is legalized since 2018.
- First licensed sales began in October 2020.

97

IP CAMERAS

CHALLENGE

- Customer required a video security system for a growing operation.
- System had to meet state-mandated requirements for storage and recordings.
- The solution had to offer local monitoring as well as centralized access to all locations' monitoring.
- Planned expansion for 3 large dispensaries.

1

Complete surveillance solution
