Complete surveillance solution

CUSTOMER

- Humboldt County Office of Education.
- Serves five schools in the county, preschool through 12th grade.
- Over 17,000 students and staff.
- Advocate on behalf of the needs of local districts and students.
- Provide expanded learning opportunities for students.
- Promote improved student achievement.
- Support fiscal responsibility in local school districts.

CHALLENGE

- The district needed new cameras to replace an existing system.
- The existing system was dated and could not support high-resolution or intelligent video management tools.
- Need high-resolution cameras with forensic details.
- The new solution had to be NDAA-compliant.
